IPC Approval

The competitions will be hosted as IPC Approved events. All results will be sent to the IPC for Rankings and World Records verification.

IPC Licensing/USATF Membership

Paralympic athletes are not required to have an IPC License to register for the competition; however, they must include the 2015 IPC License number in their registration in order for results and records to count. ***An IPC license is strongly encouraged.***

All USA Track & Field Open/Masters Athletes must have a 2015 USA Track & Field membership in order to register for the competition.

Rules

The 2015 IPC Athletics Rules will govern the competition.

<http://www.paralympic.org/athletics/rules-and-regulations/rules>

Anti-Doping

All athletes who compete in the Fast Cow Invitational and the Indy International competitions are subject to drug testing. Drug Testing will be conducted by and will follow all US Anti-Doping Agency (USADA) policies and procedures. More information about banned substances and doping control can be found by visiting: www.usada.org. Drug Testing will take place at the competition venue. If athletes are selected for drug testing they must bring an ID and are allowed and encouraged to have one representative to accompany them through Drug Testing.

Results

Results will be posted at the competition venue. Results will also be posted on the USATF Indiana website after the competitions: www.indiana.usatf.org

Training

The Michael A. Carroll Stadium at IUPUI will be available for training approximately one hour prior to the start of each competition session on June 27th and 28th only.

The National Institute of Fitness and Sport (NIFS) is located next to the IUPUI Stadium and offers Daily and Weekly Memberships (for a nominal fee) at their state-of-the-art, 65,000-square-foot fitness center:

Tickets

The competition is open to the public and admission is free.

Emergency Plan

If weather interrupts the competition, everyone in/around the stadium will evacuate to the IUPUI Natatorium.

Weather

Indianapolis will be hot in June. The daytime temperatures are forecast to be in the 80's F (20's/30's C). There is a low chance of rain/thunderstorm, but Indiana is known for constant changing weather. Bring the following items: hat, rain jacket, sunglasses, sunscreen, umbrella and water bottle. The competition has been scheduled for morning and evening sessions to avoid the mid-day heat.

Schedule/Events

- Competition venue will open approximately one hour prior to the start of each competition session.
- Events will be on a rolling schedule. The order will be women's wheelchair followed by women's ambulatory (ambulatory includes Open/Masters), then men's wheelchair followed by men's ambulatory (ambulatory includes Open/Masters).
- The Fast Cow 400m Shootout will be a single elimination seeded bracket of head-to-head rolling 400m races. A 400m seed time is required. This is an open race: male vs. female, class vs. class (#1 seeds face #16 seeds in round 1, just like NCAAs). The bracket will be created based on seed times and meet director discretion (with consideration given to performances both at Fast Cow and the morning session of the Indy International). Athletes can start accelerating at 500m and drafting is allowed. The winner will receive a special Fast Cow prize! This event will not be included in the IPC results, rankings, records, etc.
